Below, write down the majors you have not crossed off and research them further:

1. _____ 2. _____ 3. _____ 4. _____

For further exploration, we encourage you to connect with faculty and academic counselors/advisors within UNT's academic colleges. You should also use the following resources:

Undergraduate Catalog - catalog.unt.edu

The Catalog lists the courses and requirements for each major. Click on "Majors, minors, certificates" to read detailed information about the majors you're researching.

Career Center - careercenter.unt.edu

The Career Center offers one-on-one advising, small group workshops, and events to help you choose a career path.

Academic Department Websites

The websites for individual academic departments provide valuable information on majors, opportunities for student enrichment, and career paths within their academic disciplines.

*Teacher Certification Available
