

Questions to Ask During Your Academic Advising Appointment*

* Recommended by UNT students!

"What are the best classes for me to take this semester?"

"Are there any important pre-requisite courses that I should take early on in my degree?"

"How can I access my online degree audit?"

"What resources are available to me as a UNT student?"
(Tutoring, counseling & testing, student employment, etc.)

"What types of electives are relevant to my degree?"

"Would you recommend a minor? If so, which one(s)?"

"What is the best way to contact you or other advisors?"

"Can you tell me more about the internship process? When should I start applying for internships?"

"How can I begin preparing for Graduate School?"

"How can I get involved on campus at UNT?"

"What should I be doing this semester to ensure that I am making strong academic progress?"

Are online classes right for me? What do I need to do to be successful in an online class?
