RE: UNT Policy 06.043, Graduate Fellow/Research Assistantship Load Specification -
POLICY RETIRED

The Office of the Provost, in collaboration with the Faculty Senate and other key stakeholders, has completed a review of UNT Policy 06.043, Graduate Fellow/Research Assistantship Load Specification. As a result, the policy has been retired and transitioned into a procedure, aligning with the university's standard six-year review process for institutional policies.

While the formal policy has been retired, its essential information has been incorporated into the 2024-2025 Graduate Catalog. You can find these details in the [Academics](#) section under *Teaching Assistants, Teaching Fellows, Research Assistants, and Graduate Services Assistants*, as well as in the [Enrollment](#) section under *Fall/Spring*, just below the *Student Load* heading.

This action, approved by President Keller, took effect on January 29, 2025.
