### EXEMPLARY ONLINE TEACHER & COURSE AWARD

#### **Gayle Prybutok**

Rehabilitation and Health Services

Assistant Professor in the Department of Rehabilitation and Health Services, Dr. Gayle Prybutok joined UNT's faculty in 2016. Prior to this, Professor Prybutok enjoyed a long career as a nurse and healthcare executive in a variety of health care delivery settings. She is the Program Coordinator for the Master's in Health Services Administration for her department, and was instrumental in developing this master's program and a new PhD in Health Services Research for the department and UNT.
