

Visiting Scholar/Researcher/ Fulbright EMPLID/EUID Request & Security Acknowledgment Form
Office of the Provost and Vice President for Academic Affairs

Please use this form to request the setup of an EMPLID (employee ID number) and EUID (employee user ID) for a Visiting Scholar/Researcher. This setup will not create a payroll appointment, thus no compensation will result from this setup. This form is to be completed by the hosting department and then signed by the hosting department faculty, the visiting scholar, Dept. Chair, and Dean.

In addition to submission of the VPAA-40a, the unit host for any proposed visiting scholar must ensure that the proposed visiting scholar has completed the Confidential Disclosure Agreement & Visiting Scholars Agreement with Research Integrity and Compliance office.

Please send this form and a copy of the visiting scholar’s government issued ID such as passport/visa/US DL to Academic Resources at Academic.Resources@unt.edu. For security purposes, use **#secure** in the subject line **when submitting through email**. You will receive an email confirmation upon completion. Note: The individual should go to <http://ams.unt.edu> to activate their EUID and change the password (even though the password was never known) before it can be used in any system. The individual will also be assigned a PIN number to activate their EUID. Upon notification, the visiting scholar and a department employee will need to come to the Provost Office with identification to pick up the PIN number.
