

Texas Education Code 51.974 - Internet Access to Course Information

Each institution of higher education, other than a medical and dental unit, as defined by Section 61.003, shall make available to the public on the institution's Internet website the following information for each undergraduate classroom course offered for credit by the institution:

A syllabus that:

- satisfies any standards adopted by the institution;
- provides a brief description of each major course requirement, including each major assignment and examination;
- lists any required or recommended reading; and
- provides a general description of the subject matter of each lecture or discussion;

A curriculum vitae of each regular instructor that lists the instructor's:

- postsecondary education;
- teaching experience; and
- significant professional publications

The institution shall continue to make the information available on the institution's Internet website until at least the second anniversary of the date on which the institution initially posted the information.
