Welcome to UNT

- Welcome from Dr. Smatresk, President of UNT
- UNT Spirit
- College Life at UNT
- Advising at UNT
Dear students,

Welcome to our UNT Family! College offers you the experience of a lifetime, and I know you’ll thrive here thanks to the abundance of opportunities available within our caring and creative community. We’re committed to empowering and preparing you for a rewarding career in a rapidly changing world, and we can’t wait to see what you’ll accomplish.

Perseverance is a key personality trait of the Mean Green Family, and we have continued to soar amidst these recent unprecedented and transformational times. As a top 10 U.S. public university on the rise, designated as both a Minority-Serving and Hispanic-Serving Institution, we are committed to helping every student achieve their dreams. With a breadth of academic programs to choose from — 89 of which are ranked in the nation’s Top 100 — and prestige as a Tier One research university, UNT offers boundless opportunities for exploration.

College is where you define yourself and gain skills for success. We want you to be prepared for a lifetime of achievement, which is why we have implemented comprehensive career exploration and development initiatives into the curriculum. We’re here to ensure your successful path to graduation with our outstanding faculty and staff, a great support network, and career-focused resources to help you stay on track. If you haven’t already, be sure to download our Navigate mobile app to access campus resources, schedule appointments with advisors and critical campus services, find study buddies, track important deadlines, and more. Visit navigate.unt.edu for more information and swing by the App Store to download “Navigate Student” today.

The sky’s the limit when it comes to your education! We want you to engage in every opportunity available to you in and out of the classroom. From cheering on the Mean Green to attending performances, lectures, and community events, there are plenty of ways to enjoy student life on one of the most beautiful college campuses in one of the nation’s best college towns.

We’re thrilled you’ve joined our UNT Family and we’re excited to watch your future unfold. Connecting with students is the best part of my job, so please swing by my office and say hello! We’re here to ensure you receive every opportunity you need to succeed. Go Mean Green!

UNT Proud,

Neal Smatresk
UNT President
@UNTPrez
UNT Spirit

History & Traditions

- The “Mean Green” phrase originated from Sidney Gram, wife of the Eagles’ sports information director in 1966.
- The UNT Spirit Bell was brought to Denton from Michigan in 1891. It was originally used to signal class changes and evening curfew. The original Spirit Bell can be seen on the second floor of the University Union.
- Unique to the University of North Texas, the official class ring displays the eagle mascot, university seal, and McConnell Tower.
- Although our eagle mascot has had many name changes, the original name of the eagle mascot was named “Eppy”.
- The Marching Band provided the university with the first human eagle mascot costume in 1963 named Mr. Eagle.
- The eagle hand sign, or eagle claw, is our university sign of pride & unity.
- Friday is known as Pride Day, where UNT students, staff, and faculty wear green to show their university pride.

UNT Fight Song

Let’s give a cheer for U of NT; Cheer for the Green and White. Victory’s in store whatever the score, Our team will ever fight! Fight! Fight! Fight! Shoulder to shoulder we march along. Striving for victory. Playing the game for the honor and fame. And the glory of UNT. U...N...T...Eagles! UNT Eagles Fight, Fight, Fight!

UNT Alma Mater

AKA – “Singing Glory to the Green and White”

Singing glory to the green, singing glory to the white, For we know our university is striving for the right; Down the corridors of years, we’ll forget the joys and tears, But North Texas, North Texas, we love!
Welcome to the first few days of your UNT college experience!

Advice from your Orientation Team:

Everyone is just as nervous as you are about meeting new people, so sit down and start a conversation with someone.
- Mohak
  Computer Science

Look into joining one of UNT’s many phenomenal student organizations. These organizations become much like a family away from home, and they also offer fantastic networking opportunities.
- Corey
  Journalism

Getting involved with an organization that is about your hobbies or interests can help you meet people like you. Also, when you get involved with organizations that are about your major, you can network with peers, and get advice in your field of study.
- Katherine
  Social Work

Make sure to schedule time for homework, self-care, and to see your friends.
- Rebekah
  Pre-Studio Art & Photography

Office Hours aren’t just for questions or to beg for extensions, they are there to build relationships with faculty so in the future you have an expanded network and potential options for letter of recommendations!
- Anna
  Biology

Look back at all the things you have accomplished and let that be your motivation for the bright future ahead of you at UNT.
- Alexis
  Information Technology

Remember to make an impact on those around you in every space from organizations, jobs on campus, and the communities you identify with.
- Lynn
  Biology

Being involved helps you find a community for you, make new friends and connections, and is a great way for professional development.
- Jonathn
  Biology and Secondary Education

The things you learn now are going to have such a huge impact on your future, so don’t let it pass by. Journal, take pictures, record videos, create art — whatever you need to do the encapsulate the memories you are creating now.
- Anell
  Radio Television Film/Theatre

No class structure will be the same, so try different studying and note-taking methods to find what works for you and that specific class!
- Jackie
  Public Health

Remember, college is about finding out who you are and enjoying the journey to get there.
- Dakota
  Education

You’re going to make mistakes. Be kind to yourself and remember they don’t define you. Learn from them and continue being human.
- Nathaniel
  Integrative Studies
# College Life at UNT

## Key Terms

Below is a list of common college terms that will help you be successful here at UNT.

<table>
<thead>
<tr>
<th>Term</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Advanced Hours</td>
<td>Junior or senior courses, numbered 3000 or 4000 level. Many degrees require at least 42 of these.</td>
</tr>
<tr>
<td>Blended Class</td>
<td>A course that uses both physical classroom and online instruction.</td>
</tr>
<tr>
<td>Canvas</td>
<td>Secure, web-based course platform that supports course content delivery, collaboration and assessment.</td>
</tr>
<tr>
<td>Catalog</td>
<td>An online resource that includes university policies, majors/minors available &amp; course descriptions including any pre-requisites.</td>
</tr>
<tr>
<td>Class Number</td>
<td>Number (in parenthesis) that appears along with the class prefix and course number on the schedule of classes. It is used to identify a specific section of the course to aid in registration. Ex. ENGL 1310 (1234)</td>
</tr>
<tr>
<td>Concurrent Enrollment</td>
<td>Enrollment at UNT and other institution in the same semester. Requires preapproval from your Academic Advisor.</td>
</tr>
<tr>
<td>Course Number</td>
<td>A four-digit number following the class prefix. The first number indicates whether the class is considered lower level or advanced. Ex. ENGL 1310.</td>
</tr>
<tr>
<td>Eagle Connect</td>
<td>The official UNT email system for students. Your UNT email address is your first and last name @my.unt.edu</td>
</tr>
<tr>
<td>Hold/block</td>
<td>This is applied to your account and may hinder your ability to register. (i.e. library fines, advising holds, or the student financial obligation hold)</td>
</tr>
<tr>
<td>ID Number/EUID</td>
<td>An 8-digit number (12345678) or user code comprised of your initials and four numbers (abc1234) you will use for identification at UNT.</td>
</tr>
<tr>
<td>Navigate</td>
<td>Navigate is UNT’s student success system. Use Navigate to set appointments with advisors, tutors, career coaches, etc., and stay on top of your schedule with personalized to-dos and campus event reminders and access to your class schedule.</td>
</tr>
<tr>
<td>Permission Code</td>
<td>Access from a department offering a course to ensure all requirements have been met prior to course enrollment.</td>
</tr>
<tr>
<td>Recitation</td>
<td>A section required by some classes used to cover coursework and answer questions.</td>
</tr>
<tr>
<td>Schedule of Classes</td>
<td>Available on the Registrar’s website, this tentative list will help you prepare for the upcoming semester.</td>
</tr>
<tr>
<td>SI Leader</td>
<td>A student proficient in a course who facilitates effective group study sessions through the Learning Center.</td>
</tr>
<tr>
<td>Syllabus</td>
<td>An academic document that communicates course information and defines expectations and responsibilities.</td>
</tr>
<tr>
<td>TA/TF</td>
<td>A graduate student who serves under an instructor to provide general assistance to the instructional process, such as grading, tutoring, etc. A graduate student that teaches courses for credit under the direct supervision of a faculty member or chair.</td>
</tr>
<tr>
<td>W</td>
<td>This grade may be given when a student drops a course or withdraws from the university after the census date.</td>
</tr>
<tr>
<td>Waitlist</td>
<td>A feature that allows students to place themselves on a list for a class section that is full and will be automatically enrolled once a seat opens according to their position number.</td>
</tr>
<tr>
<td>Withdraw from Semester</td>
<td>When you choose to remove yourself from all your classes. Requires permission from the Dean of Students office.</td>
</tr>
</tbody>
</table>
# Advising at UNT

## UNT Colleges, Schools & Majors

### College of Education
Matthews Hall, 105 (EDUC & HDFS)
Physical Education Building, 220 (KHPR)
(940) 565-2736 • coe.unt.edu/sao

- **Education**
  - (Elementary School Education)
  - Early Childhood – 6th Grade Core Subjects w/Specialization in:
    - Bilingual*
    - English as a Second Language (ESL)*
    - Special Education*
- **Human Development and Family Science**
  - Community & Family Services
  - Family & Consumer Sciences*
  - Human Development & Family Science*
  - Individual & Family Development across the Lifespan
- **Kinesiology**
  - Pre-PT/Allied Health
  - Health Behavior & Fitness
  - Physical Education*
  - Recreation, Event and Sport Management

### College of Engineering
Discovery Park, A101
(940) 565-4201 • engineering.unt.edu/undergraduate/advising

- **Biomedical Engineering**
- **Computer Engineering**
- **Construction Engineering Technology**
- **Construction Management**
- **Cybersecurity**
- **Electrical Engineering**
- **Information Technology**
- **Materials Science & Engineering**
- **Mechanical & Energy Engineering**
- **Mechanical Engineering Technology**

### College of Health and Public Service
Chilton Hall, 112
(940) 565-4115 • hps.unt.edu/advising

- **Addiction Studies**
- **Applied Behavioral Analysis**
- **Audiology/Speech-Language Pathology**
- **Criminal Justice**
- **Emergency Administration & Planning**
- **Nonprofit Leadership Studies**
- **Public Health**
- **Rehabilitation Studies**
- **Social Work**
- **Urban Policy and Planning**

### College of Information
Discovery Park, C232
(940) 565-2445 • ci.unt.edu/advising

- **Data Science**
- **Information Science**
- **Learning Technology**
- **Linguistics**

### College of Liberal Arts and Social Sciences
General Academic Building, 220
Take Flight Suite (First-year CLASS students), GAB 207
(940) 565-2051 • class.unt.edu/office-student-advising

- **Anthropology**
- **Communication Studies***
- **Converged Broadcast Media**
- **Dance***
- **Economics**
- **English**
  - Creative Writing
  - Language Arts*
  - Literature
  - Writing & Rhetoric
- **French***
- **Geography**
  - Earth Systems
  - Environmental Studies
- **Geographic Information Systems + Computer Science**
- **German***
- **History***
- **Integrative Studies**
- **International Studies**
  - Intl. Business & Economics
  - Intl. Development & Humanitarian Affairs
  - Intl. Security & Diplomacy
  - Regional Studies
  - Peace Studies
- **Japanese**
- Latino Culture, Economy, and Policy
- **Media Arts**
- **Philosophy**
- **Political Science**
- **Professional & Technical Communication**
- **Psychology**
- **Religion**
- **Social Science***
- Sociology
- **Spanish***
- **Theatre***
  - Design/Tech
  - General***
  - Performance

---

**NOTE:** For Secondary or All-Level Teacher Certification, students will major in the college or school that offers it. (For example: to teach secondary math, you will be a math major in the College of Science.)
## College of Merchandising, Hospitality and Tourism

Chilton Hall, 385  
(940) 565-4635 • cmht.unt.edu/advising

- Consumer Experience Management  
- Digital Retailing  
- Event Designing & Experience Management  
- Hospitality Management  
- Merchandising  
  - Fashion Merchandising  
  - Furnishings & Décor

## College of Music

Chilton Hall, 211  
(940) 565-3860 • music.unt.edu/advising

- Composition  
- Critical Studies in Music in Society  
- Jazz Studies  
  - (Arranging/Performance for Instrumental/Vocal)  
- Music Education*  
  - (Band/Guitar/Keyboard/Orchestra/Voice)  
- Music History & Literature  
- Performance  
  - (Harpsichord/Multiple Woodwinds/Orchestral Instrument/Organ/Organ Church Music/Piano/ Piano Pedagogy/Voice)

## College of Science

Hickory Hall, 283  
940-369-8606 • cos.unt.edu/advising

- Biochemistry*  
- Forensic Science  
- Biology*  
  - Forensic Science  
- Chemistry*  
  - Forensic Science  
- Ecology for Environmental Science  
- Mathematics*  
- Medical Laboratory Sciences  
- Physics*

## College of Visual Arts and Design

Art Building, 232  
(940) 565-2216 • cvad.unt.edu/advising

- Art Education  
- Art History  
- Communication Design  
  - Graphic Design  
  - User-Experience Design  
- Fashion Design  
- Interior Design  
- Interdisciplinary Art & Design Studies  
  - Arts Management  
  - Design Management  
  - Open Track

## Frank W. and Sue Mayborn School of Journalism

Sycamore Hall, 205  
(940) 565-3365 • https://journalism.unt.edu/undergraduate/advising

- Advertising  
- Broadcast and Digital Journalism  
- Digital and Print Journalism  
- Journalism with Secondary Teaching Certificate*  
- Photojournalism  
- Public Relations

## G.Brint Ryan College of Business

Business Leadership Building, 110  
(940) 565-2110 • cob.unt.edu/undergrad

- Accounting  
- Accounting BS/MS  
- Aviation Logistics  
- Business Analytics  
- Business Computer Information Systems  
- Business Economics  
- Business Integrated Studies  
  - International Track  
  - Sport Management Track  
    - (Exclusively UNT at Frisco)  
- Entrepreneurship and Enterprise Management  
- Finance  
- Human Resource Management  
- Logistics and Supply Chain Management  
- Marketing  
  - Professional Selling  
- Operations and Supply Management  
- Real Estate  
  - Residential Property Management  
- Risk, Insurance and Financial Services  
  - Risk and Insurance  
  - Financial Planning

## New College

Sage Hall, 394 & Hall Park (UNT at Frisco)  
(972) 668-7100 NewCollege@unt.edu

- Project Design and Analysis  
- Applied Project Design and Analysis  
- Applied Arts and Sciences (B.A.A.S)  
- Applied Arts and Sciences (B.A.A.S Coursera)

*Denotes teacher certification is available
Advising at UNT

Advising.unt.edu

Academic advising plays an important role in guiding you through your educational experience.

The UNT Advising website contains a variety of services and resources to support your academic success and professional development including academic advising information, degree options, answers to frequently asked questions, and links to helpful resources at the University of North Texas.

We invite you to explore this website to learn more about all the advising and student support services available to you at UNT.

Specialized Advising

Advising Services

atsi@unt.edu

Advising Services at UNT provides personalized support for students who are undecided in their major or would like to learn more about other majors offered at UNT. Advising Services’ academic counselors will assist you in navigating UNT majors ensuring you find your best path to graduation. We also offer Class Concierge, a personalized service that documents and assists seniors who are experiencing institutional roadblocks to graduation, such as class time conflicts. The goal is to make your path to graduation as seamless as possible!

Dentistry, Medicine, Optometry, Veterinary Medicine, Physician Assistant, Physical Therapy, Podiatry, Pharmacy, Occupational Therapy, and Chiropractic.
UNT offers most of the prerequisites for admission to the professional schools listed above. Students interested in these professions should schedule an appointment with a counselor in the Office of Health Professions. These counselors will provide assistance with entrance requirements, the application process, interview preparation, and the required letters of recommendation.

Pre-law is not an academic major at UNT. There is no required major for those wanting to go on to law school; any major that emphasizes strong writing and reasoning skills will help you prepare for law school. The pre-law advisor is available to provide answers to questions about how to get into law school and what you can do now to prepare.

To become a certified teacher in Texas, students must meet state requirements, which include completion of an Educator Preparation Program, obtaining a bachelor’s degree, and passing the state certification examinations. Students must be admitted to UNT’s Teacher Education Program before enrolling in most education courses.

Students must be in compliance with the Texas Success Initiative (TSI), to enroll in coursework at Texas public institutions of higher education per Texas Education Code. The law requires all entering college students to be assessed for college readiness in English Language Arts and math. The TSI Coordinator, located in the Office of Advising Services, will help with questions regarding TSI requirements and developmental courses.
Section 2

Building Your UNT Degree

- Elements of a Bachelor’s Degree
- UNT Awarded College Credit
- University Core Curriculum
Elements of a Bachelor’s Degree

A bachelor’s degree shows you have completed coursework and met the requirements of a specialized curriculum. Your degree is completed when you have met all of the requirements, taken the right courses in the correct sequence, earned enough semester credit hours and earned the appropriate grades. Navigating your way through college means learning the basics needed to understand and progress through your academic career.

- Minimum 120 credit hours*, depending on major
- 42 credit hours* of university core requirements
- College/School requirements
- Advanced hours, 3000-4000 level (varies by major)
- Major requirements
- Minor requirements (varies by major)
- Electives (varies by major)

Examples of Bachelor’s degrees

Bachelor of Arts (BA)
Bachelor of Science (BS)
Bachelor of Business Administration (BBA)
Bachelor of Fine Arts (BFA)
Bachelor of Applied Science (BAS)
Bachelor of Applied Arts and Sciences (BAAS)
Bachelor of Science in Engineering Technology (BSET)

Academic Classification

Your classification is based on the number of hours you have earned. Completion of minimum hours required for a degree does not guarantee completion of all degree requirements.

- Freshman 0-29 hours
- Sophomore 30-59 hours
- Junior 60-89 hours
- Senior 90 hours and above

*Credit hours

Every course you take is measured by units called credit hours. In most cases, credit hours represent the number of hours each week you are expected to attend each specific class. Courses may range from one to six credit hours.
1. UNT Residency Requirements

- A major of at least 24 semester hours. At least 12 hours of advanced work (3000/4000 level) in the major must be earned at UNT (except for the BAAS degree).
- A minimum of 36 semester hours of advanced work (3000-4000 level), 24 of which must be completed at UNT. Many degrees at UNT require at least 42 advanced hours; see the college/school degree requirements of your major in the catalog for details. A lower-level course that, when transferred, is determined to be equivalent to a UNT upper-level course does not satisfy the requirement of advanced hours.
- Twenty-five percent of the university minimum of 120 semester hours (i.e., 30 hours) must be earned in residence.

2. University Core Curriculum

The University Core Curriculum is designed to ensure that you graduate with not only the depth of knowledge you’ll gain from courses in your major area of study, but also a breadth of knowledge which is gained through general education courses. Each of the core curriculum courses will assist you in developing important fundamental skills that will help you be successful in all of your classes and prepare you for life after college. These skills include critical thinking, communication skills, empirical and quantitative skills, teamwork, personal responsibility, and social responsibility. Through the core, you will gain an enthusiasm for learning and an intellectual capacity that you will use throughout your life. Specific core classes will be covered on pages 17-22.

3. College and School Requirements

You must satisfactorily complete all degree requirements specified by the college/school in which the degree is offered. In many instances, there may be college/school academic program requirements in addition to the university core requirements. Please see the individual college/school advising office in order to determine these requirements.

4. Major Requirements

Within your degree, you will narrow your focus to a specific field of study, also known as a major. At least 24 semester hours in a given subject are required for a major, including 12 hours of advanced work. The number of hours required depends on the major you select.

5. Minors

- Minors are like "mini-majors" typically requiring you to complete 18 to 21 credit hours, which includes a minimum of 6 advanced hours
- Some majors require a minor
- View the list of minors at UNT and the requirements for each in the online catalog (catalog.unt.edu) under "Majors, minors, certificates"

6. Undergraduate Academic Certificates

Certificates typically require you to complete 12-20 hours, the majority of which must be advanced. You can view the list of undergraduate academic certificates at UNT and the requirements for each in the catalog (catalog.unt.edu) under "Majors, minors, certificates."

Certificates may be used to:
- meet workforce needs
- provide you with life/career skills and knowledge
- allow for specialization in academic disciplines

Not to be confused with in-state vs. out-of-state tuition, UNT Residency Requirements refer to how many courses must be completed at UNT.
7. Electives

- Electives are any credit hours necessary to reach the minimum number of total credit hours required for your degree after all other requirements have been satisfied.
- Advanced electives may be required in order to meet the university advanced credit hour requirement. UNT requires a minimum of 36 advanced hours in order to graduate. Many degrees at UNT require at least 42 advanced hours. See the college/school degree requirements of your major in the catalog for details.

<table>
<thead>
<tr>
<th>General Electives</th>
<th>1000-4000 level courses</th>
</tr>
</thead>
<tbody>
<tr>
<td>Advanced Electives</td>
<td>3000-4000 level courses</td>
</tr>
</tbody>
</table>

Please visit with your academic advisor about minors, undergraduate academic certificates and electives. The situation will be different for every student.

8. Transfer of Credits — How Will Previously-Earned Credit Apply to Your Major?

Transferability vs. Applicability

When you transfer credit to UNT, our Admissions office reviews all transcripts, AP, IB and CLEP scores and posts all earned credit, regardless of how (or if) it will be used to satisfy degree requirements. This review allows you, as the student, to know how many hours UNT has accepted. However, subtracting your earned hours from your required degree hours (typically 120) does not always equal the amount of hours left to complete your degree. Some of your credits may be applied to the core, while others may be pending review by the college/school of your chosen major. In this review, the college/school will look at all of the hours accepted by Admissions and will evaluate them specifically for the core and their individual degree programs. Your academic advising office determines applicability of the credit to a degree program. For more information about military, vocational and technical credit, see your academic advisor.

**NOTE:** Information provided is subject to change without notice and does not constitute a contract between UNT and a student or applicant for admission. Transfer credit is subject to audit during a student’s academic career at UNT. Total hours accepted may be increased or decreased to reflect correction of prior evaluation or consideration of additional transfer work to ensure compliance with UNT academic policies.

9. Transfer of Core Courses

Successful completion of a 42 semester-credit-hour common core curriculum at a Texas public institution of higher education allows you to transfer to UNT as “core complete.” You will need to work with an academic advisor in the appropriate college/school academic advising office to determine if additional requirements will be necessary to satisfy the 42-hour UNT core. See the UNT transfer articulation web page at registrar.unt.edu/transfer-guides and the transfer course equivalency and degree planning guide tool, Transferology, at transferology.com for online resources.

10. Dual Credit, AP, and IB Credit

Most dual credit, AP and IB programs offer courses that can be used towards core requirements. Use the charts on the next few pages to determine how your credit will transfer to UNT. Find your courses under the appropriate columns and highlight or circle the UNT equivalent. Make sure you alert your academic advisor to the courses you completed. Please note that dual credit transcripts must be sent from the community college or university through which the class was offered.

11. Texas Common Course Numbering System (TCCNS)

The Texas Common Course Numbering System (TCCNS) has been designed for the purpose of aiding you in the transfer of general academic courses between colleges and universities throughout Texas. The system ensures that if you take a course the receiving institution designates as common, then the course will be accepted in transfer and the credit will be treated as equivalent to the course offered by the receiving institution. The TCCNS chart (on pages 15-16) lists the courses that the associate deans at UNT have identified as common and their TCCNS equivalents.

International Baccalaureate (IB)

UNT awards a minimum of 24 hours of credit if you completed the IB Program and received the IB Diploma. You must earn a minimum score of 4 on tests that count toward the diploma. UNT Admissions will certify the examination credit based on the qualifying scores.

If you completed a high school IB Program but have not earned the diploma and scored 5, 6 or 7 on the higher level IB examination you will receive college credit at UNT. See chart below for details. The UNT IB Institution Code is 01800.

*The minimum score requirements for awarding credit based upon IB exams is subject to change.

### Foreign Languages

Courses beginning with these prefixes (American Sign Language (ASLP) Arabic (ARBC), Chinese (CHIN), French (FREN), German (GERM), Italian (ITAL), Japanese (JAPN), Latin (LATI), Russian (RUSS), Spanish (SPAN)) are marked LANG on the equivalency chart.

For example: TCCNS course of SPAN 1311 is equivalent to SPAN 1010 at UNT.
University Core Curriculum

Statement of Purpose

Through the Texas Core Curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills that are essential for all learning.

Individual academic programs may require courses contained in parts of the University Core Curriculum (fulfilling both core and major requirements simultaneously). Check with your academic advisor for assistance in selecting core courses.

NOTE: The university core is still in progress and some courses that are not listed here are awaiting approval to be included in the core. Some courses, though approved, may not be offered every semester.

Communication – English Composition and Rhetoric (2 Courses/6 Credit Hours):

The first semester of English Composition teaches you how to write an essay. The second semester teaches you how to write a research paper, brochure or manual. A grade of C or better is required for both Communication courses.

Composition I:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 1310</td>
<td>College Writing I</td>
</tr>
<tr>
<td>ENGL 1311</td>

<tr>
<td>LING 1322</td>
<td>Research Writing and Preparation for International Students</td>
</tr>
<tr>
<td>TECM 2700</td>
<td>Technical Writing</td>
</tr>
</tbody>
</table>

Interested in writing a manual or brochure? TECM 2700 will teach you how to create both. This class is required by some majors.

Mathematics (1 Course/3–5 Credit Hours):

This is a college-level math course. Some majors require specific and/or additional mathematics courses; see your academic advisor for more information. Incoming freshman will be given a placement group number by the Department of Mathematics. In some cases, a mathematics placement exam may be required or recommended. Math placement information can be found in Canvas and ALEKS. Your math level or placement is only valid for one school year. See the math chart on the following page to determine which math course is right for you. Please note: MATH 1100 (College Algebra) is not in the core.

<table>

</tbody>
</table>

*Courses listed in more than one core category may only apply toward one core requirement.
*Courses with an asterisk have pre-requisites and/or may be restricted to specific majors. See current undergraduate catalog for details.
** These courses are still awaiting approval to be included in the core.
Which UNT Math Class† is Right for Me?

- Please consult your academic advisor to ensure you select a course which fulfills degree requirements for your intended major(s).
- Students who feel prepared to take a math course beyond their placement level are encouraged to take the math placement test if they are a first time freshman or transfer student. Students that have enrolled and completed/dropped a college level math course at UNT are not eligible to take the placement test.

†This page only covers college-level courses. Students who are not TSI complete or who are unsure of their TSI status should consult the Office of Advising Services, (940) 565-3633.

**Entry Level Courses** open to any student TSI complete in math

- **Journalism, Arts, College of Liberal Arts and Social Sciences, Health and Public Service, Music, College of Merchandising, Hospitality, and Tourism, College of Information, College of Education**
  These non-technical courses satisfy University core but do not meet prerequisites for higher-level math courses. Some majors & programs require or prefer Math 1680. Data Science majors must take Math 1680. All other majors should consult an advisor for help selecting between Math 1580 and Math 1680.

- **Math 1580**
  Survey of Math
  
- **Math 1680**
  College Math for Business & Econ
  C or better needed for Math 1190 and for 1350

**Placement Level 2**

- **Education EC—6th Grade (as needed)**
  Math 1351
  Math for Elem Ed II

- **Math 1180**
  College Math for Business & Econ
  C or better needed for 1190 and for 1350

**Placement Level 3**

Placement into Level 3 requires one of the following:
1. Placement via the math placement exam;
2. A "3" or higher on an AP Calculus exam; or
3. Prior college credit for Pre-calculus or Calculus I

**Business, and BA Economics and Education EC—6th Grade (as needed)**

- **Math 1180**
  does not meet prerequisites for Pre-calculus or other science or engineering math.

**Math, Science, Engineering and BS Economics**

- **Math 1100—Algebra**
  Math 1100 serves only as a prerequisite course and does not satisfy the University core.
  
- **Math 1110**
  Survey of Math
  
- **Math 1150**
  College Math for Business & Econ
  C or better needed for Math 1650

**Questions?** E-mail <MathAdvising@unt.edu>
University Core Curriculum

Life & Physical Sciences (2 Courses/6 Credit Hours):
This category consists of two courses from the Natural & Life Sciences and/or the Physical Sciences. Some majors require specific and/or additional laboratory science courses. Some physical science courses require knowledge of mathematical concepts.

**Laboratories are required as a co-requisite for science lecture courses, but are not required to meet the core requirements.

- ENGL 2220 Survey of World Literatures from 1700 to the Present
- PHIL 1400 Ethics and Society
- ENGL 2321 British Literature
- PHIL 2050 Logic and Critical Thinking
- ENGL 2326 American Literature
- PHIL 2070 World Religions
- ENGL 2331 World Literature
- PHIL 2600 Ethics in Science
- ENGL 2341 Forms of Literature
- ENGL 2351 Mexican American Literature**
- ENGL 3450 Short Story

Before you enroll in a Language, Philosophy and Culture class, it is recommended that you successfully complete the first semester of English Composition.

American History (2 Courses/6 Credit Hours):
This category focuses on the consideration of past events and ideas relative to the history of the United States.

- HIST 2610 United States History to 1865 or HIST 2675 Honors United States History to 1865*
- HIST 2620 United States History since 1865 or HIST 2685 Honors United States History since 1865*

HIST 4700 (Texas) may apply towards HIST 2610 or 2620. This is an advanced course (senior level).

Government/Political Science (2 Courses/6 Credit Hours):
This category focuses on the consideration of the Constitution of the United States and the constitutions of the states, with special emphasis on the state of Texas.

- PSCI 2305 US Political Behavior and Policy or PSCI 2315 Honors US Political Behavior and Policy*
- PSCI 2306 US and Texas Constitutions and Institutions or PSCI 2316 Honors U.S. and Texas Constitutions and Institutions*

*Courses listed in more than one core category may only apply toward one core requirement.
*Courses with an asterisk have pre-requisites and/or may be restricted to specific majors. See current undergraduate catalog for details.
**These courses are still awaiting approval to be included in the core.
University Core Curriculum

Social and Behavioral Sciences (1 Course/3 Credit Hours):
This category focuses on the application of empirical and scientific methods that contribute to the understanding of what makes us human. Courses involve the exploration of behavior and interactions among individuals, groups, institutions and events, examining their impact on the individual, society and culture.

- AGER 4560 Minority Aging
- AGER 4800 Social Context of Aging: Global Perspectives
- ANTH 1010 Introduction to Anthropology
- ANTH 2300 Culture and Society
- BEHV 2300 Behavior Principles I
- CJUS 2100 Crime and Justice in the United States
- COMM 2020 Interpersonal Communication
- EADF 4050 Social Vulnerability in Disasters
- ECON 1100 Principles of Microeconomics
- ECON 1110 Principles of Macroeconomics
- GEOG 1200 Global Societies
- HDFS 1013 Human Development
- HILTH 2200 Family Life and Human Sexuality
- JOUR 1210 Mass Communication and Society*
- MDSE 2750 Consumers in a Global Market*
- PADM 2100 Cultural Competency in Urban Governance
- PSYC 1630 General Psychology I
- PSYC 1650 Biological Psychology
- PSYC 3620 Developmental Psychology
- RHAB 3100 Disability and Society
- SOCI 1510 Introduction to Sociology
- SOWK 1450 Introduction to Social Work

Core Option Courses (2 Courses/6 Credit Hours):
Core Option courses are designed to help you further develop the tools necessary for full engagement in the undergraduate experience. Students must complete an additional six hours of coursework from the courses above or from Core Option A or Core Option B courses listed below.

Please note that only three hours of this requirement may be satisfied by courses designated as Core Option B.

Consult with your academic advisor to determine whether specific Core Option courses are necessary to make timely degree progression in your chosen field of study.

Core Option A

- AGER 2250 Images of Aging through Film and Literature^*
- ANTH 1100 World Cultures
- ANTH 1150 World Cultures through Film
- ANTH 2200 Gender in Cross-Cultural Perspective
- ART 1200 Art Appreciation
- ART 1300 Art Appreciation for Non-Art Majors ^
- ART 1301 Honors Art Appreciation**
- BIOL 1000 Discover Life Science
- BIOL 1750/1755 Introductory Biology Research Lab I & II
- BUSI 1340 Managing the Business Enterprise
- COMM 2040 Public Speaking
- COMM 2140 Advocating in Public
- COUN 2620 Diversity and Cultural Awareness
- ENGL 3000 Introduction to Literary Analysis and Interpretation Skills
- ENGR 1030 Technological Systems
- GEOG 1500 Geospatial Technology and Urban Environments
- HDFS 3423 Family, School and Community Principles of Nutrition
- HMG 1450 The Good Society*
- HNRS 1100 Introduction to Research: An Interdisciplinary Perspective*
- HNRS 1500 Italian Influences in the United States of America
- HNRS 1500 Media Literacy
- HNRS 1500 Calculus II
- JOUR 1210 Consumers in a Global Market*
- JOUR 2250 Social Psychology of Dress and Appearance
- JOUR 1210 Mass Communications and Society*
- MKTG 2650 Culture and Consumption
- MKTG 3010 Professional Selling
- MTSE 1100 Discover How and Why Materials “Matter”
- MUMH 1610 Music as Communication
- MUMH 2050 Sounds and Cinema

*Courses listed in more than one core category may only apply toward one core requirement.
*Courses with an asterisk have pre-requisites and/or may be restricted to specific majors. See current undergraduate catalog for details.
** These courses are still awaiting approval to be included in the core.

Section 3

Degree Progression and Timely Graduation

- Degree Audit/Degree Plan
- Grade Point Average and Academic Standards
- Drops, Withdrawals and Incompletes
- Satisfactory Academic Progress
- Graduation
- Financial Benefits of Timely Graduation
Degree Audit

Why am I thinking about graduation now? There is a process to graduation and that process starts today! You should be thinking about the big picture from your first day at orientation to your graduation day. Timely graduation at UNT means graduating with your bachelor’s degree in four calendar years. By using a degree audit, you can spare the expense of additional costs, requirements, and/or fees. Your undergraduate catalog, schedule of classes, degree audit, and advising staff will help you create and review your timely graduation plan. Please reach out to your advising office for the best route to your academic goals. Academic advisors are here to help you from orientation through graduation.

Timely graduation includes knowing degree requirements, how to sequence classes, and departmental policies such as admission or exit criteria. Request an official degree audit from your Academic advisor to guide you through your major. The audit shows all requirements necessary for your degree. You should get an updated audit/plan each semester and chart your progress. You can view an unofficial online audit at mydegreeaudit.unt.edu.

mydegreeaudit.unt.edu

An online degree audit lists all your degree requirements in a user-friendly format referred to as the “interactive audit”. It is a great tool for helping you stay on track for graduation and preparing for advising appointments.

Your audit will show you:

• Credit hours earned and credit hours in-progress
• How courses you take will apply to your degree requirements
• UNT, overall, and major GPAs
• “What if” degree audits, if you are considering a change of major

As grades post and requirements are completed at the close of each semester, your audit will update automatically.

The online degree audit is not an “official” document. An official degree audit is a document which can be requested from your academic advising office.

Using this tool in collaboration with your academic advisor will help you make the most of your time, money and course selection while attending UNT. For more information about the audit, please contact your academic advising office to schedule an appointment.

**How to run your online degree audit**

1. Go to mydegreeaudit.unt.edu
2. Log in with your EUID and password
3. Request an Audit
   • Current Program (Official Major)
   • Selected Program (What-If)
4. Select an Audit
5. View your Audit

For step-by-step instructions on how to run and read an audit visit: http://registrar.unt.edu/registration/online-degree-audit-instructions
How to Read your Online Degree Audit

Example Audit:

The online audit displays the status of each requirement on your degree plan. The **year and semester** in which the requirement is completed or enrolled is presented and indicates if transfer work was used to complete the requirement.

**In-progress** courses (indicated by “IP” or “ENRC”) are revealed and can be used to verify if a course is meeting a specific requirement on the degree audit.

When a requirement is **unfulfilled**, the audit provides hyperlinks to course descriptions of courses that can be used to complete each requirement.

Section 3: Degree Progression and Timely Graduation
Grade Point Average

Your GPA is the average of all points earned for all the classes you have taken. You will have a UNT GPA, which includes only UNT classes, and an overall GPA, which includes UNT and transfer work. Please be mindful that your GPA impacts honors, financial aid, graduation, and your status as a UNT student. Please be sure to check your UNT and overall GPA each semester so you know where you stand. You can check your overall and UNT GPA on your degree audit.

Grade point value:

- A = 4 points per credit hour
- B = 3 points per credit hour
- C = 2 points per credit hour
- D = 1 point per credit hour
- F = 0 points per credit hour

Calculate your GPA:

1) Multiply hours attempted by the grade point value earned for each class.  
2) Total your number of grade points.  
3) Divide total points by total of all your attempted hours.

That’s your GPA!

Here’s an example…

Olivia made 1 A, 2 Bs, and 2 Cs her first semester at UNT.

<table>
<thead>
<tr>
<th>Course</th>
<th>Grade</th>
<th>Grade Value</th>
<th>Multiply</th>
<th>Attempted Credit Hours</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 1310</td>
<td>B</td>
<td>3</td>
<td>*</td>
<td>3</td>
<td>9</td>
</tr>
<tr>
<td>ART 1300</td>
<td>C</td>
<td>2</td>
<td>*</td>
<td>3</td>
<td>6</td>
</tr>
<tr>
<td>HDFS 1013</td>
<td>A</td>
<td>4</td>
<td>*</td>
<td>3</td>
<td>12</td>
</tr>
<tr>
<td>HMGT 1450</td>

<td>3</td>
<td>*</td>
<td>3</td>
<td>9</td>
</tr>
<tr>
<td>BIOL 1112</td>
<td>C</td>
<td>2</td>
<td>*</td>
<td>3</td>
<td>6</td>
</tr>
</tbody>
</table>

Total

- Course grade points: 42
- Attempted hours: 15

Olivia earned 42 grade points. She attempted 15 hours.

Total grade points earned divided by total attempted hours: 42 / 15 = 2.8 GPA

Types of GPAs

**Semester GPA** – The GPA you earned only for the courses you took at UNT for the specific semester. 
- Used for calculating semester honors (awarded for fall and spring only).
  - President’s List – Earn 4.0 semester GPA in a minimum of 12 hours of graded coursework in residence at UNT.
  - Dean’s List – Earn at least a 3.5 semester GPA in a minimum of 12 hours of graded coursework in residence at UNT.

**UNT GPA (CGPA)** – Your cumulative GPA for all of the hours you have attempted at UNT (determines academic status). Your UNT GPA does NOT include transfer work.

**Overall GPA** – A combination of your UNT and transfer GPA (graduation GPA). Available via online degree audit
- Used for calculating honors for graduation.
  - Cum Laude - 3.500 to 3.699
  - Magna Cum Laude - 3.700 to 3.899
  - Summa Cum Laude - 3.900 to 4.000

**Major GPA** – The GPA required in your major. It can either be a pre-major GPA requirement to enter the program and/or to graduate from the program. It is available via online degree audit.

You may lose your financial aid funding if you do not make Satisfactory Academic Progress. See page 31 for additional information.

Graduating with Honors is not the same as graduating through the Honors College.
## Grade Point Average and Academic Standards

### Academic Standing

The university will keep track of your UNT GPA and semester GPA to determine your academic standing.

<table>
<thead>
<tr>
<th>STATUS</th>
<th>DEFINITION</th>
<th>NEXT STEPS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Good Standing</td>
<td>2.0 or higher UNT GPA**</td>
<td>Maintain your UNT GPA at a 2.0 or higher</td>
</tr>
<tr>
<td>Academic Alert</td>
<td>Lower than 1.8 UNT GPA your first semester; or 2.0 GPA in subsequent semesters ** Freshman only</td>
<td>Raise your UNT GPA to 2.0 to return to ** Good Standing ** or be placed on ** Probation **&lt;br&gt;Mandatory advising&lt;br&gt;May be required to attend Academic Coaching</td>
</tr>
<tr>
<td>Probation</td>
<td>Lower than 2.0 UNT GPA Freshman who were previously on ** Academic Alert **&lt;br&gt;Sophomore, Juniors, and Seniors</td>
<td>Raise UNT GPA to 2.0 to return to ** Good Standing ** OR earn a 2.25 semester GPA to be on ** Continued Probation ** to avoid ** Suspension **&lt;br&gt;Mandatory advising&lt;br&gt;May be required to attend Academic Coaching</td>
</tr>
<tr>
<td>Continued Probation</td>
<td>Lower than 2.0 UNT GPA Previously on ** Probation ** but earned semester GPA of 2.25 or higher</td>
<td>Raise UNT GPA to 2.0 to return to ** Good Standing ** OR earn a 2.25 semester GPA to be on ** Continued Probation ** to avoid ** Suspension **&lt;br&gt;Mandatory advising&lt;br&gt;May be required to attend Academic Coaching</td>
</tr>
<tr>
<td>Suspension</td>
<td>Lower than 2.0 UNT GPA Previously on ** Probation ** or ** Continued Probation **&lt;br&gt;but earned lower than 2.25 semester GPA for the Fall or Spring term</td>
<td>Meet with your academic advisor to discuss course equivalencies for the community college; May be allowed to enroll in the Summer semesters; Raise UNT GPA to 2.0 and return to ** Good Standing **; Return to UNT after ** Suspension ** and enroll on ** Probation **&lt;br&gt;Mandatory advising</td>
</tr>
</tbody>
</table>

** The minimum cumulative UNT grade point average you must achieve to remain in good standing is 1.8 in the first semester.<br>A 2.0 minimum cumulative UNT grade point average must be achieved for all subsequent semesters.

* You will remain on academic probation during any summer enrollment in which you fail to raise your UNT GPA to a 2.0.

---

**Careful! F’s are still attempted hours and count against you!**<br>Credit hours earned by AP, CLEP, IB, and/or Credit by Examination do not average into your GPA.
There are policies in place at UNT for students who have unplanned moments in the semester that hinder their studies: dropping, withdrawing and incompletes. Before making a decision on which policy is the right fit for you, talk to your instructor and academic advisor about implications this decision may have. Also, while they are there to support your success, there may be some changes you can make yourself to improve your academic performance that can be discussed.

For a list of specific questions you should ask yourself before dropping, visit vpaa.unt.edu/advising/dropping. Please exhaust all possibilities to complete your course when thinking about dropping a class. It will possibly delay your graduation and cost you additional time and money. Make yourself aware of the deadlines for dropping, withdrawing and incompletes each semester by visiting https://registrar.unt.edu/registration-guides-by-semester.

Dropping vs. Withdrawing

**Dropping** means you remove or “drop” one or more courses from your schedule, but that you are still enrolled in at least one course at UNT. Dropping a course is completed in myUNT by the student.

**Withdrawing** means you drop all courses and are no longer enrolled in the University. Withdrawing is handled through the Dean of Students office.

Six-Drop Rule

If you were enrolled in higher education for the first time during the Fall 2007 academic term or any subsequent terms, you are allowed to drop a total of six courses in your academic career. This includes any course(s) you may have dropped at another Texas public institution of higher education. This does not apply to courses dropped prior to the census date, and does not apply if you withdraw for the term or session.

Certain exceptions may be made to the limit if you can show good cause for dropping more than that number. For a list of possible exceptions go to: https://studentaffairs.unt.edu/dean-of-students/policies/withdrawals.

Withdrawing from the Semester

The Dean of Students Office is committed to helping you if you should ever intend to withdraw from a semester (drop ALL courses). If you wish to withdraw you must do so through the Dean of Students Office (Sage Hall 110) during office hours. This is a “one stop shop” for the withdrawal process. Students may only withdraw from the first class day until the official last day to withdraw as indicated in the academic calendar which can be found at: registrar.unt.edu/registration-guides-by-semester.

You must visit the Dean of Students Office to obtain the official University Withdrawal Form and meet with a staff member. The meeting will ensure you are informed of any obligations you may have with the University or items you may need to fulfill upon returning to UNT. Students will also receive Financial Aid Exit counseling (as applicable). For more information on the withdraw process visit: https://studentaffairs.unt.edu/dean-of-students/policies/withdrawals.

Incompletes

An “Incomplete” may be allowed in emergency situations, but only if approved by your instructor. The course must be 75% complete and you must be passing. The coursework must be completed within one year of granting the grade of “I”. Go to https://registrar.unt.edu/registration-guides-by-semester for the date to request an incomplete.

--- CAUTION! ---

Please exhaust all possibilities to complete your course when thinking about dropping a class. Dropping a course could delay your graduation and cost you additional time and money.
Add/Drop Period and Deadlines

Once you have made the decision to drop, you need to be aware of the deadlines posted on the Academic/Registration Calendar on the Registrar’s Office website (http://registrar.unt.edu/registration-guides-by-semester) for each of the following periods in which you can change your schedule.

Add/Drop Period:
- First week of a Fall or Spring semester. (Go to http://registrar.unt.edu/registration-guides-by-semester for summer add/drop dates.)
- Students can add/drop/swap courses on their own during this time period via the student portal in myUNT.

Open Drop Period (no adds):
- After the Add/Drop Period ends but before the census date you may no longer add courses, but you can still drop a course through your UNT Student Homepage (my.unt.edu).
- Go to http://registrar.unt.edu/registration-guides-by-semester for summer add/drop dates.
- Courses dropped during this period will not be recorded and will not count as one of your six drops.
- May be done online or in person at the Registrar’s Office.

Recorded Drop Period:
- Courses dropped during this period will be recorded (ex: "W").
- Courses dropped during this period will count toward your six drops.
- Students can drop courses on their own during this time period via the student portal in myUNT. Please go to https://registrar.unt.edu/registration-guides-by-semester and https://registrar.unt.edu/dropping-classes for detailed procedures and deadlines regarding these drops.

Always confirm your drop in your Class Schedule, which can be viewed by clicking the Enrollment tile, then the View My Classes tile in myUNT.
Section 3: Degree Progression and Timely Graduation

Duplications and Repeated Courses

A duplication is when you repeat a course that you have already completed. It is necessary to duplicate a course if you did not earn the minimum grade needed to complete a degree or program requirement. Before duplicating a course, you should meet with your academic advisor to ensure you truly need to repeat the course. While you are repeating the course, work with your academic advisor on completing a Duplication Form. The Duplication Form is required to ensure your GPA will be calculated correctly.

Most courses can be taken as many times as needed, however, only the first grade you earned will be removed from your GPA calculation. Your second and all subsequent attempts are permanent in your GPA. For example:

“Lisa takes ENGL 1310 and earns an "F". She duplicates the course in the following semester and earns a "B". Her transcript will show that she attempted ENGL 1310 twice, but only the grade of "B" will be used in her GPA calculation. In the event she earns a D on her second attempt, the D replaces the F and is permanent in her GPA, however, since UNT requires a C or higher for the Communications core area, Lisa must now take ENGL 1310 for a third time. Her third attempt is considered a repeat and will also be permanent in her GPA”.

If you pay Texas resident tuition rates and have attempted a course more than twice at UNT, you will be subjected to an additional tuition rate of $75 per semester credit hour for any subsequent attempt at a course. This additional charge will be billed to your Student Account after the beginning of each semester. More detailed information about Duplications can be found here: registrar.unt.edu/registration/repeating-courses

Excess Hours/Excessive Undergraduate Hours

Undergraduate Texas Residents may be subject to a higher tuition rate for attempting excess hours. Attempted hours include courses passed and failed, duplications, repeats and courses dropped with a "W". Further information on which courses count towards the excessive hour calculation can be found here: http://registrar.unt.edu/registration/excessive-hours

You can view your excessive hour status in myUNT by clicking the Academic Records tile and then the View Excess Hours link on the left.
Satisfactory Academic Progress

The Financial Aid office will review your Satisfactory Academic Progress (SAP) every semester using two standards: your UNT Cumulative GPA (UNT CGPA) and pace of progression. If you fall below one of the determined standards you may not be eligible to receive your financial aid. For information on SAP please go to http://financialaid.unt.edu/sap

- **UNT CGPA Requirements of SAP**
  The minimum cumulative UNT grade point average for undergraduate students is 1.8 for the first term of enrollment and a 2.0 for all subsequent semesters.

- **Pace of Progression Requirements of SAP**
  You must successfully complete at least 67% of your cumulative attempted credit hours. Attempted hours include repeated, failed, incomplete, withdrawn from, and transfer credit hours.

**PLEASE NOTE:** You are required to notify Student Financial Aid and Scholarships BEFORE dropping classes or withdrawing from the university. By doing so, you will be advised about current and/or future financial aid eligibility.

**Maximum Hour Limit**

In addition to meeting UNT GPA and pace of progression standards, you must not have registered for, earned or attempted more than a specific cumulative maximum of semester hours as an undergraduate student. This limit is effective whether or not financial aid has ever been applied for or received.

The current maximum is 150% of the student’s required degree plan. The maximum includes all hours registered for, earned or attempted at any institution of higher education. This includes hours you have dropped, withdrawn from, failed, duplicated or never completed. If you exceed the maximum number of hours allowed by your degree plan, your financial aid will be canceled.
Financial Benefits of Timely Graduation

Graduation

Graduation Checks
It is highly encouraged that you request an appointment with an academic advisor in your college/school advising office for a graduation check during the semester prior to the semester you plan to graduate. A graduation check ensures you are actually eligible for degree completion and graduation.

Graduation Applications
You must apply for graduation through your my.unt.edu portal during the semester that you intend to graduate by the posted deadline. For additional information on applying for graduation and the application deadline visit: registrar.unt.edu/apply-graduate

The Graduation division of Records in the Registrar’s Office is responsible for working with UNT’s Colleges and Schools to verify, approve, and post all student degree awards. In addition, they coordinate UNT’s commencement ceremonies. For information about undergraduate graduation call 940-565-4625.

Statewide $1,000 Tuition Rebate
You may be eligible for a $1,000 rebate if you:

- Meet Texas residency requirements at all times while pursuing a degree
- Graduate within 3-hours of your minimum degree requirements

To review the full list of rebate eligibility requirements and detailed rules on administration of the rebate go to: http://registrar.unt.edu/graduation-and-diplomas/1000-tuition-rebate

To find out about your tuition options visit: saveandsoar.unt.edu
Plan Your Semester and Registration

- Preparing for Registration
- Registration Tips
- Registration Checklist
- Registration Snapshot
- Your Student Homepage
Preparing for Registration

Registrar Website
Review important registration information online at: http://registrar.unt.edu/registration.html
This will include:
- Schedule of Classes
- Transfer Guides
- Online Degree Audit
- Registration Guides (includes registration and payment dates)
- Dropping and withdrawing deadlines

Undergraduate Catalog
To learn more about your classes for the upcoming semester see the Undergraduate Catalog, catalog.unt.edu, specifically for:
- Degree requirements – majors, minors, certificates
- Course descriptions and prerequisites
- Policies

Meet with Your Academic Advisor
Talk to your academic advisor early in the semester about:
- Planning your schedule
- Your course selections
- Prerequisites for the courses you plan to take
- Any AP, CLEP, IB, military and dual credit that you may have earned

Consider the following when choosing courses:
- What time of day do you work best? Are you a morning person or a night owl?
- How many days do you want to be in class? Remember many courses are scheduled 1, 2, or 3 times a week.
- In what type of learning environment do you work best? Would you prefer online or face-to-face?
- Are you organized and self-motivated? Do you manage time well? All are necessary what taking online courses.
- Would delaying a certain course this semester put you “off track” for your projected graduation date?
- Do you have enough time between classes to: read your textbooks, study for a test, or run errands?
- You need to create a balance between your academic and social lives—both are important pieces to your college experience.
- Students should successfully complete at least 30 credit hours each year to potentially fulfill all degree requirements in four years.
- Use the Visual Schedule Builder to help you create your ideal schedule.
1. Are you TSI (Texas Success Initiative) Complete?
   • If you are not TSI complete, you must meet with the Office of Advising Services before registering.
   • You must enroll in mandated courses before registering for your other courses
   • TSI-mandated courses cannot be waitlisted
   • Questions about TSI? Contact the Office of Advising Services: Sage Hall 110, 940-565-3633, tsi@unt.edu, https://vpaa.unt.edu/aservices/tsi

2. Math Placement
   • Refer to the math chart on page 18 for a list of entry-level courses that do not require any prerequisites or placement tests beyond math TSI exemption or completion
   • Math placement levels are determined upon your admission into the University of North Texas
   • If attempting to place into a higher level than original placement, contact the Department of Mathematics at (940) 565-2155
   • The Department of Mathematics placement test:
     o Can be attempted a maximum of one time per semester
     o Is administered on a walk-in basis Monday through Friday between 8:30 am - 3:00 pm, in the Mathematics Undergraduate Advising & Testing Center (GAB 443)

3. Check for Possible Holds on Your Account
   • Student Financial Obligation – a hold placed on your account every semester. You must read through the financial requirements of the registration process. Read and click “confirm” to remove the hold
   • Transcript - a hold placed by Admissions for missing transcripts
   • Advising Required - a hold placed by an advising office, must meet with an academic advisor to have hold removed
   • TSI Not Complete - a hold indicating you are TSI-incomplete and must meet with a TSI Coordinator to register
   • Meningitis - All new students must provide evidence of vaccination against bacterial meningitis, or must qualify for one of the two permissible exemptions, prior to beginning classes at UNT. For more information on vaccination, how to submit proof of vaccination, and the exemptions, go to studentaffairs.unt.edu/immunization-requirements

4. Using the Waitlist Option for Closed Courses
   • The waitlist feature allows you to place yourself on the waitlist for a class section that is full and be given a position number. As seats open up in the class, students will be auto-enrolled according to their position number
   • When trying to add courses to the waitlist, you can not add courses that conflict with times you have other courses in your schedule, unless you use the swap function
   • You can not waitlist a course that puts you over 19 hours in a semester
   • Diligently check your schedule during add/drop to see if a course you waitlisted was added to your schedule
   • Students are encouraged to enroll in another section if their first choice is waitlisted
   • Waitlisted classes will always show up in your enrollment summary
   • Waitlisting a course does not guarantee you a spot in the course
   • If one of your waitlisted courses is added to your schedule, you must pay by the posted deadline.
   • For additional instructions on using this feature: https://registrar.unt.edu/eis/students

5. Course Details
   • Available through the Enrollment tile on your my.unt.edu.

(continued on the next page).
Class information will include:
- Enrollment information
- Prerequisites - a course or requirement that must be completed successfully before enrolling in a course
- Corequisites - a course or requirement which must be taken concurrently with another course
- Class notes
- Class details
- Credit hours
- Class Availability
- Meeting information (face to face, online, etc.)
- Online courses - some sections of online courses are restricted to students who are either instate online learners or out-of-state distance online learners

Example: CHEM 1410 (1311). General Chemistry for Science Majors. 3 hours (3;0;1*) Fundamental concepts, states of matter, periodic table, structure and bonding, stoichiometry, oxidation and reduction, solutions, and compounds of representative elements. Prerequisite(s): MATH 1100 or equivalent. May be used to satisfy a portion of the Life and Physical Sciences requirement of the University Core Curriculum. *This hour is a problem-solving session

6. Determining Your Course Load
- Based on your four-year plan, it may be necessary to register for 15 or more hours a semester and possibly attend summer sessions
- Full-time: 12 hours
- Average course load: 15 hours
- Maximum hours: 19 hours during fall and spring semesters and 18 hours during the summer semester (see your academic advisor to determine how many hours you may take in various summer terms)
- Overload approval is needed if attempting to register for more than 19 hours

7. Course Numbering or Level of Courses
- 1000: Freshman courses – lower level
- 2000: Sophomore courses – lower level
- 3000: Junior courses – advanced level
- 4000: Senior courses – advanced level

8. Determining if a Course Needs a Permission Code
- If a permission code is required to register for a class, it will be listed in “Class Notes” within the course description
- Contact the department offering the course to receive the permission code. Example: courses restricted to students residing out-of-state or in certain majors
- All courses will display a default permission code box, but not all courses will require a code

9. Concurrent Enrollment
- If you are taking classes at UNT and wish to enroll concurrently at another institution during the same semester, you must first secure the permission of your advising office at UNT
- Concurrent enrollment during your last semester at UNT may delay your graduation date.
- Always check with your academic advisor and Financial Aid when considering concurrent enrollment
1. **Register for classes**
   - Check your [my.unt.edu](http://my.unt.edu) enrollment tab or the Registration Guide for your registration date: [registrar.unt.edu/registration-guides-by-semester](http://registrar.unt.edu/registration-guides-by-semester)
   - Register for classes at [my.unt.edu](http://my.unt.edu)
   - Need a step by step guide for the registration process? See page 38 or registration.unt.edu/how-to-register

2. **Check Your Financial Aid Status**
   - Check your [my.unt.edu](http://my.unt.edu) student portal and EagleConnect e-mail regularly for financial aid information and updates to your account
   - Visit Student Financial Aid & Scholarships (SFAS) in the ESSC if you have questions
   - Familiarize yourself with the SFAS Satisfactory Academic Progress (SAP) policy available at [financialaid.unt.edu/sap](http://financialaid.unt.edu/sap) and adhere to all class enrollment and attendance policies

3. **Make Your Payment**
   - Payment arrangements should be made after enrolling in courses, but before the payment deadline; payment can be made online at [my.unt.edu](http://my.unt.edu) or through the Student Financial Services Office located on the first floor of the Eagle Student Services Center (ESSC)
   - Deadlines are posted on the Student Financial Services website. [sfs.unt.edu/important-dates](http://sfs.unt.edu/important-dates)
   - Nonpayment will result in loss of enrolled courses. You will have to re-enroll and plan your semester schedule based on the availability of classes at that time, which will likely be limited
   - It is your responsibility to ensure any financial aid payments will be applied by the deadline

4. **Confirm Your Schedule**
   - Print out a copy and review your schedule
   - Confirm your enrollment and view your schedule at any time by checking the enrollment tab of your [my.unt.edu](http://my.unt.edu) account
   - Remember, enrollment information can be found on your [my.unt.edu](http://my.unt.edu) account, NOT on Canvas.
   - Courses will be available on Canvas on the first day of class. Not all of your courses will include a Canvas component

<td>Tuesday Thursday 2:00PM to 3:20PM</td>
</tr>
</tbody>
</table>

### Step 2 of 4: Review Class Preferences

- **BIOL 1720 Biology for Science Majors II**
- Section 002 - Class Nbr 7123 - Open
- Add to waitlist if class is full? ✗
- Permission Number ✗

### Step 3 of 4: Enroll or Add to Cart

- Do you wish to enroll or add the class to your Shopping Cart?
  - Enroll
  - Add to Shopping Cart

### Step 4 of 4: Review and Submit

- You have selected to enroll in:
  - BIOL 1720 Biology for Science Majors II
  - Option Status: Open

[Submit]
Your Student Homepage is the hub of all your academic and financial information. You will find it by logging into your my.unt.edu.
The Tasks tile houses your To Do List items, Hold, & Agreements.

The Enrollment tile is where you can add, drop, swap, and update course registration. You will find:
- You Class schedule
- Class search
- Visual schedule builder
- Enrollment screen
- Shopping Cart
- Drop and Swap
- Enrollment dates
- Course Catalog and schedule

The Academic Records tile holds all your grades, course, history, and unofficial transcript. In this tile you can:
- Request an enrollment verification
- View academic milestones
- View excess hours information
- Apply for graduation.

The Financial Aid tile holds all financial aid related navigations including award information and financial aid summary. Here you can:
- Accept or decline your financial aid awards
- View a shopping sheet
- View your need summary, cost of attendance, and estimated family contribution.

The Student Account tile shows gives you access to:
- View your Balance and Term Summary
- Make a payment
- See your payment history
- Enroll in an installment plan and/or short-term loan
- View and/or consent to receiving an electronic 1098-T
- View your Tuition Plan.

The Advising & Orientation gives you access to:
- Your degree audit
- Your advising sheet used for orientation
- Repeated courses and mandatory course information
- Your TSI status
- The link to Navigate, where you can set an appointment with your advisor, or the link to advising.unt.edu resources page

The Profile Tile is where you can access your biodemographic information and update your:
- Contact details
- Emergency contacts
- Eagle Alert (the contact information for you that will be used by the emergency campus communications system)

The Resources Tile is where you can access other important UNT resources:
- UNT Canvas learning management system
- UNT E-mail
- Jobs – Eagle Careers opportunities
- Start Green, Stay Green
- Care Team
- Mental Health Resources
- Sexual Assault Prevention training
- Graduating Year Experience resources
- UNT Help Desk
Parking regulations are enforced at all times except during official university closures.
