Questions to Ask During Your Academic Advising Appointment*

* Recommended by UNT students!

- “What are the best classes for me to take this semester?”
- “What resources are available to me as a UNT student?” (Tutoring, counseling & testing, student employment, etc.)
- “What is the best way to contact you or other advisors?”
- “How can I get involved on campus at UNT?”
- “Are there any important prerequisite courses that I should take early on in my degree?”
- “What types of electives are relevant to my degree?”
- “Can you tell me more about the internship process? When should I start applying for internships?”
- “What should I be doing this semester to ensure that I am making strong academic progress?”
- “How can I access my online degree audit?”
- “Would you recommend a minor? If so, which one(s)?”
- “How can I begin preparing for Graduate School?”
- Are online classes right for me? What do I need to do to be successful in an online class?
