

College of Health and Public Service

BA with a Major in Urban Policy and Planning (2019-2020 Catalog Year) –

Three-Year Plan¹

The Department of Public Administration is now offering a Bachelors in Urban Policy and Planning. The new degree prepares students for a career in the nonprofit sector. A major in Urban Policy and Planning requires 45 semester credit hours. 33 hours of required courses, and 12 hours of supporting courses.

The following three-year plan is one example of a variety of ways in which you can complete your chosen degree in three years, and will serve as a guide for you to design your pathway to degree completion.

- A bachelor's degree requires the completion of a minimum of 120 hours, with 42 advanced hours.
- Students are encouraged to see their academic advisor each semester for help with program decisions and selections of classes. Students are responsible for meeting all course prerequisites.
- The course selections each semester may vary. The schedule of classes can be viewed online through your myUNT account. Registering for classes at the earliest possible date each semester is strongly recommended.
