

BA IN LATINO CULTURE, ECONOMY AND POLICY DEGREE IN THREE ACADEMIC MAP

2019-2020 CATALOG YEAR

BA with major in Latino Culture, Economy and Policy (LCEP) examines the politics, history, language, culture, literature, sociology, anthropology, economics, and creative accomplishments of Latinos in the US. This diverse population includes people who trace their heritage to Mexico, Cuba, Puerto Rico, El Salvador, Guatemala, Nicaragua, and many other Latin American and Caribbean nations. Students take four required substantive classes (12 hours), four classes (12 hours) in two of three elective areas and also complete either an internship and/or senior research paper (6 hours). LCEP will prepare students to be more competitive in the increasingly challenging and diverse workforce environment.

The following three-year plan is one example of a variety of ways in which you can complete your chosen degree in three years dependent upon having 30 hours upon arrival at UNT, and will serve as a guide for you to design your pathway to degree completion. Variations will depend on what equivalent courses you have already taken.

Students who wish to earn a minor are encouraged to choose Business Marketing or Management, Public Administration, Criminal Justice or International Studies.
