

BS IN GEOGRAPHY DEGREE IN THREE ACADEMIC MAP

2020-2021 CATALOG YEAR

A Bachelor of Science with a major in geography gives you the skills to solve complex environmental problems associated with population growth, urban sprawl, climate change, natural disasters and public health. This degree is highly marketable and offers an advantage in an increasingly competitive job market.

Credit by Examination or Dual Credit upon Entry as a Freshman (earned through qualifying scores on appropriate Advanced Placement Exams, International Baccalaureate)*:
