

Grade Student Work

1. Enter your grade screen the way you always do (by assignment or via the grade book). Then, select Speed Grader.

The screenshot shows two parts of the interface. On the left, a dropdown menu for 'GRIT Test 8/27' is open, with 'SpeedGrader' circled in red and a green arrow pointing to it. On the right, the 'Project Template Test 8/27' assignment page is shown, with a 'Speed Grader™' button circled in red and a green arrow pointing to it.

2. Select the student you would like to grade. Then, view the project and rate the student on the Career Connect Rubric.

The screenshot shows the 'Written Communication' assignment page. A 'PROJECT' button is circled in red with a green arrow pointing to it, labeled 'Click here to view the project in full screen'. Below the project preview, a rubric table is shown with a red circle around the 'evidence' cells and a green arrow pointing to it, labeled 'Complete rating by clicking the appropriate box'.

Written Communication

Written Communication

Written communication is the development and expression of ideas in writing. Written communication involves learning to work in many genres and styles. It can involve working with many different writing technologies, and mixing texts, data, and images. Written communication abilities develop through iterative experiences across the curriculum.

HLTH 1100 reflection

Overview

In 2-3 sentences, summarize what your lesson plans were created for and what you wanted to accomplish. You can also change the image on the right to match your lesson plans.

- If you do nothing, the rubric score will automatically populate into Canvas and into your gradebook.
- If you would like to *override* the rubric rating and grade on your own scale, type your score into the grade box and click submit.
