

Welcome New Faculty

January 12, 2022

In preparation for our return to in-person instruction this semester, we will be hosting a webinar to review our COVID protocols. All are invited who are teaching in-person this semester. This session will cover updated quarantine/isolation protocols and review prior COVID protocols. The webinar will be recorded and available after the event.

## Things we are proud about here at UNT:

- Traditions
- Places
- Spirit
- College

## Traditions

- Alma Mater
- University Day
- Honors Day
- Alumni Awards

# Places

Discovery Park The North Texas region's largest research park with nearly 300 acres of space dedicated to the sciences, technology and engineering, UNT's Discovery Park is located 5 miles north of the UNT main campus in Denton, Texas.

College of Frisco

- 14 Residence Hall
- Living Learning Communities
- 5 dining halls
- 16 Campus Retail Restaurants

- 6 UNT Libraries Facilities
- UNT Discovery Park
- Research labs and non-classroom creative spaces: 550
- Athletic training and competition facilities: 12

# Spirit

- Mean Green Nickname
- Homecoming Parade
- Eagle Claw
- Scrappy (the Eagle Mascot)
- Homecoming Bonfire
- Friday Pride Day
- North Texas Flag
- Green & White
- Spirit Bell
- Lighting of McConnell Tower
- Fight Song

## College of Business – New Faculty

UNT G. Brint Ryan College of Business offers:

- UNT Degrees work
- Winning Record
- Pioneering Programs
- Legacy of Excellence
- Diverse Learning Community

***“We are proud of our role in preparing the next generation of business leaders. Hundreds of our graduates are serving as CEOs of companies throughout North Texas and the world.”*** – Dean Marilyn Wiley, College of Business

# College of Information

***“I am proud of the dedication and passion the College of Information faculty and staff have towards helping each individual student in realizing their dreams and aspirations.”***

– Dean Kinshuk, College of Information

The College of Information offers undergraduate degree programs in the following areas:

- Bachelor of Arts in Linguistics
- Bachelor of Applied Sciences in Learning Technologies
- Bachelor of Science Information Science
- Bachelor of Science in Data Science

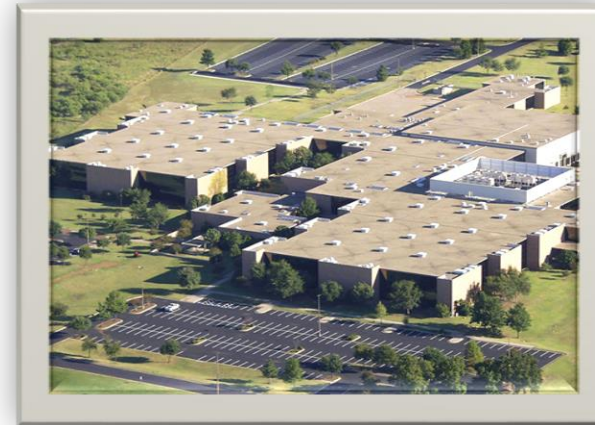

# College of Engineering

UNT's College of Engineering is known for:

- Top 100 among public universities for engineering grad programs
- The latest labs and equipment located on our Discovery Park campus
- Over 4,000 bachelor's, master's, and doctoral students in the Engineering program

My sense of pride lies on quoting Theodore Von Karman;

*"Scientists discover the world that exists; engineers create the world that never was."* - Dr. Hanchen Huang, Dean of College of Engineering
